

CITY OF LODI

COUNCIL COMMUNICATION

AGENDA TITLE: Purchase of Padmount Transformers (\$15,322.05)

MEETING DATE: September 7, 1994

PREPARED BY: Electric Utility Director

RECOMMENDED ACTION: That the City Council adopt the attached resolution awarding the purchase of five 75KVA padmount transformers to the bidder whose proposal and equipment meet City of Lodi specifications, and whose transformers yielded the lowest overall life-cycle cost, Pauwels Transformers of Washington, Missouri, in the amount of \$15,322.05.

BACKGROUND INFORMATION: On July 6, 1994, the City Council approved specifications and authorized advertisement for bids for five 75KVA three-phase padmount transformers.

On August 16, 1994, bids were opened, and total life-cycle costs were evaluated. Life-cycle costs are the combined total of purchase price plus cost of operation based on estimated power loss during the projected life of the transformer. Proposals are also evaluated on the basis of compliance with equipment and bid specifications; failure to comply with both may lead to disqualification of the bid. A summary of the bid evaluation follows.

<u>Bidder</u>	<u>Purchase Price / Life Cycle Cost</u>
Pauwels Transformers, Washington, MO	\$15,322.05 / \$27,752.05
Cooper Power Systems, Milwaukee, WI	15,866.19 / 27,996.19
Howard Industries, Laurel, MS	18,026.58 / 28,586.58
Wesco Distribution/ABB, San Francisco	18,559.94 / 30,529.94

These transformers are planned for use in new developments such as Sunwest Plaza II and Lodi Town Plaza, and to replenish the Department's inventory.

FUNDING: Funds for this purchase are available in the Electric Utility Department's operating fund.

Henry J. Rite, Electric Utility Director

Prepared by Joel Harris, Purchasing Officer
